Information for the Charity

(If possible please include this with your donation or inform the charity why they are receiving the donation.)

To Whom it May Concern:

Please be advised that you have received this donation as result of Insight Financial Corporation's charity support program. The person making this donation has acquired our Investment Software (IFC Stockvaluator Professional) for free. However, we did ask that if they liked our software that they make a donation to a charity, and they decided to donate to your organization.

The donation is from them, they should receive the receipt and any tax benefits etc. There is no need to contact us; we just wanted you to know why the donation was made.
